How can I request an estimate?

Residential estimates are provided free of charge. Simply call our team or submit a request through our online contact form, and we will schedule a site visit at your convenience.

Do you provide free estimates for commercial properties?

Commercial property evaluations require extensive site inspections, measurements, project analysis, and proposal preparation. Therefore, a consultation and evaluation fee may apply. The fee will be credited toward the project if Performance Construction Limited LLC is selected to perform the work.

Recommended Commercial Evaluation Fees

- Small commercial properties: \$150–\$250
- Medium commercial properties: \$250–\$500
- Large commercial properties, HOAs, apartment complexes, shopping centers, or multi-acre sites: Custom evaluation fee starting at \$500+

Commercial Consultation Policy

Commercial consultation fee: \$250.

This fee covers up to 4 hours of on-site evaluation, measurements, and proposal preparation. If the project is awarded to Performance Construction Limited LLC, the consultation fee will be credited toward the contract amount.
